

INTERIOR REVIEW

LESLIE PETERSON
(BACK CENTER)

We have a new staff member Leslie Peterson. Leslie took over our bookkeeping in July and she is already getting “KUDOS” from our customers. It is always nice to have new people who fit in so well.

Exciting things are happening at Tina’s this fall. Just as the leaves are changing colors, Tina’s store is changing as new furniture and accessories arrive daily. Our displays are showing all the fresh new things happening in interior design. Hunter Douglas has amazing new products and we have displayed them in our showroom. We have a new two inch blind that opens to a four inch view!

Hunter Douglas now offers a single remote that can open or close all your windowcoverings from a single location. **Ladies now the men in your life can get just as excited about the latest in home décor as you are.** See the platinum technology in our store. PS you can retro fit your existing remote systems.

Morgan and Tina attended an International Windowcovering Conference in Denver, CO. The design conference speaker, Michelle Lamb from the US Design Council gave us all the “new ideas for today’s design and fashion. Tina finally got a chance to prove that designs from the past are back again. The new metal color is gold (not brass), the new color is SMUDGE! (this is black in a more charcoal hue).

Wallcoverings are coming back (they were never out in Tina’s mind). If you would like to explore the latest designs yourself try Thibauts new website. It is interactive and allows you to choose from hundreds of wallcoverings and place them in different room settings. They are even starting to advertise wallcovering at movie theatres. Come see our wallcovering and windowcovering displays.

CARE MORE

At the Denver conference former Secretary of State Colin Powell was featured as a guest speaker. The main focus of the speech and conference was that we should all “Care More”. We, at Tina’s, always have and intend to continue to do that for you.

CHRISTMAS

Speaking of caring, do not forget our **12th Annual Customer Appreciation Party** we have on **November 8th**. Once again Tina has lured Eleanore Pelote to do Italian hors d’oeuvres this year which will be married with Tina’s and her mom’s great baked goods. Come see old friends and make new ones at our party and receive your annual Potpourri gift bag Tina and her mom made for you.

DID YOU KNOW...

Tina sees the merchandise she buys in many of the home mail order catalogs such as *Horchow*, *Gumps* or *Sundance*. However she always finds her prices lower and you don’t have to add extra freight or service charges. If something beautiful has caught your eye bring a picture and she’ll track it down for you. A recent customer found a piece of art in *Sundance* and Tina saved her close to \$1,000.00
